

Dear Expectant Parent –

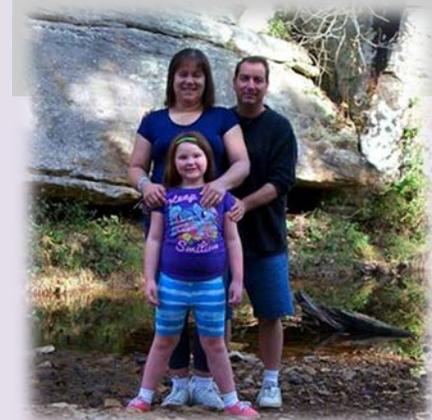

Hi, we are Bill, Anita & Amanda. While we have no idea what your journey has been to this point we would like to thank you for allowing us to be a small part of your journey as you search to find the family that you believe God has for your child. We believe that God knew before you were born that you would be in this place making these difficult decisions. We pray that there will be peace in your decision.

Bill and Anita's journey began about 25 years ago when we met in college marching band. October 2016 we celebrated our 20th wedding anniversary. After being married for 5 years we decided that it was time for a third member of our family, but that was not God's plan. After many years of infertility, in March of 2010, God and another Mother blessed us with a daughter. Amanda Corrine has changed our lives forever; she is adorable, loving, smart, and full of energy. She has an opinion on everything and loves to share. We've already begun to share with Amanda her adoption story and will be do the same with our next child.

Bill loves his work as a Pilot and along with his career in aviation; he has also served as Worship Leader at our local church. Anita is a substitute teacher and has served as Director of Children's ministries at our church; she still coordinates Vacation Bible School and teaches Sunday school. Her impact is still felt as "her babies" from her time as Children's Minister now join her to do the ministry for the next generation of children. Anita is looking forward to tackling life with two kids and being a stay at home mom again.

Beyond our six year old little girl, our family also consists of two cats. Sandy and Dusty are 10 years old but have never grown up. We live close to Anita's family and see them at least once a week. Bill's parents are no longer with us. His sister, Carrie and her husband are missionaries to Mexico. They are adoptive parents of two wonderful children from Guatemala.

As a family we enjoy spending time outside. Our church family is also an important part of our lives and we enjoy spending time with them. Our children will be raised in a wonderful community of believers where they will be loved and cherished. We want you to know that a child placed with us will also be spoiled, supported, nurtured and raised in a Christian home. Our children will grow up knowing that both Bill and his sister were brought to their family through adoption and that they are loved twice. We appreciate you taking the time to get to know us and we pray God's peace and blessing on you as you make this difficult decision.
