

Caritas Family Solutions

Mission: To serve the most vulnerable across the continuum of life.

Dear Friends,

Caritas Family Solutions is hosting a fundraising Trivia Night on **Friday, March 10, 2017** at Julia's Banquet Center in East Alton, Illinois to raise funds for the Regional Office in East Alton that serves those in Madison County and the surrounding areas.

The trivia night is an opportunity for local residents to have fun and learn how they can help Caritas Family Solutions address the increasing challenges in their communities. Families are seeking relief from the trauma and stress they encounter as a result of their diminishing ability to support themselves and their children. Caritas provides assistance to many who are struggling, but due to State budget cuts, new sources of revenue are needed to continue providing services that address the social and emotional needs so prevalent in today's stressful environment.

The event will feature 10 rounds of trivia questions to test guests' knowledge on sports, history, entertainment, and more! There will also be raffles and a silent and live auction. All proceeds from this event will directly benefit the services provided through the Regional Office in East Alton: Adoption, Counseling, Foster Care and Community Integrated Living Arrangements (CILA) for adults with developmental disabilities.
