

13th Annual Charity Brunch

Saturday, April 22, 2017

Dear Friends,

Caritas Family Solutions (Caritas) is hosting the 13th Annual Charity Brunch Saturday, April 22, 2017, at the SIUC Newman Center in Carbondale. This special event supports programs and services offered throughout the southern counties of Illinois including Williamson, Franklin, Jackson, Perry, Saline, Gallatin, Johnson, Union, Alexander, Pulaski, Massac, Pope, White, Randolph and Hardin.

The Annual Charity Brunch provides an opportunity for local residents to learn how they can help Caritas address the increasing social challenges within their own communities. Everyday, our professional and caring employees provide life changing programs and services to hundreds of men, women, children and families. State budget cuts are creating financial deficits that are threatening the loss of services for the abused, neglected and for various other hardships and challenges. These programs include: Multisystemic Therapy (a community based alternative to incarceration for juvenile offenders), Private Adoption, Pregnancy Care, Family and Individual Counseling, and Foster Care. We need your support!

There is no charge to attend the brunch. During the program, guests will be asked to consider making a voluntary gift to assist the agency in efforts to build strong family foundations through our various services. All donations will directly support people in need. In order to make this event truly successful, we ask the business community and individuals to help in underwriting the cost of the meal that is served.

Please consider a sponsorship at one of the following levels:

Platinum:	\$ 1,000
Gold:	\$ 500
Silver:	\$ 250
Bronze:	\$ 125

All sponsors will be acknowledged at the brunch, in the brunch program, in follow-up news releases and on the Caritas Family Solutions website. To be a sponsor, please complete the enclosed form and return to me at your earliest convenience. Thank you so much for your support!

Sincerely,
