

For more than 70 years, Caritas Family Solutions has been building stronger foundations for individuals, children, and families in Southern Illinois. Caritas supports citizens in your community through adoption, pregnancy care, foster care and counseling services, assisted living and employment services for low-income seniors, independent living for adults with developmental disabilities, multisystemic therapy for at-risk youth, and residential therapy for abused and neglected children.

In the past two years, Caritas has experienced a 35% overall agency growth due to continuing to respond to rising community needs. During the period of growth, the agency has not received a cost-of-business increase. Therefore, the expansion of services to more individuals each year is achievable due to the outpouring of support from community stakeholders.

Caritas Family Solutions is hosting the 2018 Denim & Diamonds Dinner on Saturday, October 13, 2018, at The Pavilion in Marion, IL. The dinner provides an opportunity for residents to learn how they can help Caritas address the increasing social challenges within their communities.

We respectfully request your help in supporting the 2018 Denim & Diamonds Dinner held to provide direct support for the programs listed above. You can participate in one of two ways: by becoming an event sponsor or by supporting the event through a program advertisement. Please contact Samantha Lappe at Caritas Family Solutions at (618) 213-8717 or Sam.Lappe@caritasfamily.org if you have questions. Thank you for your consideration!
