

# HEART & SOUL

*Annual Gala 2019*

---

A strong, vibrant community is a welcome place to live, work and play. In order to have such a community, its residents must have a robust support system in order to build a foundation for well-being.

For more than 70 years, Caritas Family Solutions has helped create a more caring society by strengthening the social and emotional well-being for generations of children, families and older citizens throughout Southern Illinois. More than 4,500 individuals and families are served each year throughout 50 counties, making Caritas one of the largest social service providers in Southern Illinois.

Caritas creates safe, loving homes through numerous programs like adoption, pregnancy care, foster care, and counseling services; as well as through temporary therapeutic home for severely abused and neglected children; employment training and assisted living for low-income seniors; community integrated living arrangement homes for adults with developmental disabilities; and multi-systemic therapy for youth at risk of incarceration. Caritas continues to be a voice for misrepresented and misunderstood populations in our communities.

This year, Caritas offers a new program through a recent merger with Fontebella Maternity Home located in O'Fallon, Ill. Fontebella empowers homeless young women, facing an unplanned pregnancy, by providing a safe place to live, as well as offering the resources necessary to become independent women and great moms.

This year, the Fontebella Maternity Home program will be the recipient of funds raised through the Heart & Soul Gala. We respectfully request your participation in the Gala that will be held Saturday, February 9, 2019, at the Four Points Sheraton in Fairview Heights.
