

● ● ● ● our big pursuit

Hi!

We are Cheryl, Whitney, and Ella! We have big dreams of growing our family through adoption. Ella really wants to be a sister, just ask her! We are pretty laid back, easy going people, and live by the philosophy that you should always do right by others. Cheryl and I both manage businesses which we love, but we also have the flexibility to have a stay at home, cuddle, and watch Paw Patrol day, take a pool day, or a short day trip!

● ● ● ● Why Consider Us?

We don't always know the answer, plans don't always work out, but we will always do what's best for our children and family. We are surrounded by a huge support team made up of our family, friends, and community that would love to see our family grow. Your decision will never be lost on us and we will work together to provide you with the communications that match your comfort level. We can't promise the moon, but we can promise to be good parents, partners, friends, and people. Our children will always know they are loved, cared for, supported, and have self worth. We would love to meet you and you can learn more about us on our website or social media!
