Caritas Family Solutions SCSEP Celebrates Older Americans Month!

Christine Garland

Every May, Senior Service America, Inc. (SSAI), is one of our nation's leaders in the observance of Older American's Month (OAM).

The 2019 theme, "Connect, Create, Contribute," emphasizes that you are never too old (or young) to take part in activities that can enrich your physical, mental, and emotional well-being. It also celebrates the many ways in which older adults make a difference in our communities.

Christine Garland, SSAI SCSEP National Director, said, "There's a socio-cultural bias toward a shrinking youth workforce.

We choose to lead workforce development of 50+ Americans and transform the economy and generations of future workers."

Ms. Garland will be the guest speaker at our celebration of OAM on Wednesday, May 15, 2019, at the Bellevue Memorial Park Pavilion in Belleville. Other speakers include Belleville Mayor Mark Eckert, and other local dignitaries.

Garland continued, "Participating in activities that promote mental and physical wellness, offering your wisdom and experience to the next generation, seeking the mentorship of someone with more life experience than you—those are just a few examples of what being engaged can mean.

No matter where you are in your life, there is no better time than now to start. We hope you will join in and Connect, Create, Contribute!"

CONNECT, CREATE, CONTRIBUTE: MAY 2019

May is Older Americans Month (OAM), which is designed to give aging a new voice—one that reflects what today's older adults have to say.

More than ever before, older Americans are working longer, trying new things, and engaging in their communities. They're taking charge, striving for wellness, focusing on independence, and advocating for themselves and others. What it means to age has changed, and OAM 2019 is a perfect opportunity to recognize and celebrate what getting older looks like today.

Let's amplify the many voices of older Americans and raise awareness of vital aging issues across the country.

Satterthwaite concluded, "SSAI will be tweeting daily this month to recognize you, and to highlight events that are happening.
